

Ready for a hot one today? Due to the forecast extreme heat we will be monitoring the temperature on track today. If it gets too hot we may decide not to continue based on occupational health & safety guidelines. Please make sure your children Slip, Slop, Slap & Sip to keep their fluid levels up today.

## TWILIGHT MEETING

Just a reminder that next week's meeting is on Friday night 15<sup>th</sup> December starting at 5.30pm. Athletes will compete in 3 events for the evening followed by a very special visitor in a red suit. Be sure you are good this week as I have heard that there are lollies involved!

## UNIFORM REQUIREMENTS

It is important to wear your blue t-shirt, blue shorts and 2006/07 registration tag to each Casey meeting. It is essential for the recorders to complete your performance tickets to have your correct number seen on the tag. Track pants hats and jumpers will be asked to be removed by the starter for all events as a matter of safety. They can be collected at the end of you event but all competition will take place in the Casey uniform. This will be strictly enforced.

## ATTENTION PARENTS

No parents should be on the arena with first registering for duty and receiving your tag. Andrea will remove you - celebrity or not! The best way to get close to the action is to register for duty as soon as you arrive.

## LOST PROPERTY

Please remember to check & collect your lost property at the pavilion tables this week. Any items remaining at the Christmas break will be donated to charity.

## CHRISTMAS HAMPER

Thank you to everyone for their kind donations towards the Christmas Hamper over the past two weeks. If anyone would like to donate an item for our Christmas Hamper draw you can leave them with the canteen this week. No perishables please.

**Our very own Danielle Cameron & Lucy Topham competed in the Primary School Nationals in Cairns last weekend. And this weekend Jordan Nelson & Beannie Jagusch are competing in the Nation Championships in Sydney. Congratulations to them all for reaching such a high level of competition and representing Casey LAC with distinction.**

## One final word.

Over the last couple of weeks the football season has started to encroach on our turf. Literally! Any footballs or tennis balls, or balls of any kind, that are not for athletic events will be confiscated if used within the arena. They pose a real hazard whilst other events are underway. Please respect your fellow athletes and the parent helpers by refraining from kicking, throwing or handballing any balls within, or close to, the arena. Thank you in advance for your cooperation.
