

What a great pentathlon day we had last week. Results from this day will be in your folders next week. A big thank you this week for everyone's behaviour around the canteen. The canteen ladies are reporting fantastic manners and patience.

LAPS FOR KIDS

Thank you to everyone who participated in the Laps For Kids lap of the track last week. We have improved on last years total and raised \$500. Well Done!

PHOTO PICKUPS!

If you have ordered photos from the website at www.caseylittleaths.org.au you can now pick them up under the pavilion verandah. The user name & password for the photo section of the website is printed in the newsletter. Photos can be ordered in a range of sizes at very reasonable prices.

WALKS

Just a reminder that the walks will commence at 8.00am for U11 to Inter-Aths. Please check your program for the next day on 25th November. If anyone is interested in being a walks judge please see Andrea Hallett.

UNIFORM REQUIREMENTS

It is important to wear your blue t-shirt, blue shorts and 2006/07 registration tag to each Casey meeting. It is essential for the recorders to complete your performance tickets to have your correct number seen on the tag. Track pants hats and jumpers will be asked to be removed by the starter for any track events as a matter of safety.

The star awards have appeared in your folders this week. Ideally we like to have these out every 2 weeks but due to a database issue these are a little late.

Thanks for your patience. Don't forget you can have them sewn on in the pavilion each week to save some time at home.

Caps are available for sale in both large & small sizes for \$10 each. If you have misplaced yours or your parents would like one please see Leanne today at the pavilion.

LOST PROPERTY

Please remember to check & collect your lost property at the pavilion tables this week. Any items remaining at the Christmas break will be donated to charity.

VENUE HELPERS NEEDED

We have positions for everyone in every discipline. If we don't get enough helpers each week we either run late, cut events for the children from 5 to 4, or they may only get 2 shotput throws instead of 3. If we get enough volunteers, your duty allocation may become once every three weeks. Lets get past the attitude of **"there are enough people helping – they won't notice that I'm not doing duty"**

Please see our Chief of Officials David Werner at his table just inside the arena each Saturday morning to collect your helper tag by 8.30am. Age group managers are an essential part of the morning and you need to sign on by 8.30am or your position will be filled by another volunteer. **No parents should be on the arena without first registering for duty and receiving your tag.**

REGION TRACK & FIELD

Please keep an eye out for the Region Track & Field Championship entry forms which will appear soon. Entries need to be in by 15th December for this event in February. All children from U9 up can register.

Please note that no dogs are allowed on the arena or at the venue at any time during competition. This has become a safety issue in the last few weeks. Guide dogs & assistance dogs are exempt from this ruling.

CHRISTMAS HAMPER

If anyone would like to donate an item for our Christmas Hamper draw you can leave them with the canteen over the next few weeks. No perishables please.

One final word.

Is there anyone who is available to help with data entry of results on a Saturday morning while competition is on. If so can you please come to the pavilion and you will be shown the ropes. The number of data entry people directly correlates to how quick your results are on the website and when the star awards can be presented.
