

## Parent Commitment

I hereby commit to the following:

1. I will ensure that my child has a responsible adult at the venue at all times.
2. I or the responsible parent/guardian will complete at least 6 full days of volunteer duty (I have read the full description below).

Thank You, the club could not function without your support.

### **Parent Duty Description**

Each parent/guardian is expected to complete at least 6 full days of Duty. This season we have made things easier by breaking the day down into events. We usually have 5 events per age group on each day of competition. Parents/guardians will have their name ticked off the list for each event they attend and do duty. 5 events counts as 1 full day of duty. So this allows parents/guardians the flexibility to do say 2 events per day for 15 days or 5 events a day for 6 days. You can do it any way you like so long as the events add up to 30 (6 full days).

Some parent/guardians prefer to help out in the canteen or on the BBQ. In these areas just 2 hours counts as 1 full day of duty.

Of course there are many parents/guardians who do far more duty than this. Helping out is very rewarding and a great way to see our children competing and enjoying themselves.

Parents need to be aware that children whose parent/guardian has not completed 6 full days of duty will be ineligible to compete in the Casey Centre Championships or receive a trophy. Additionally they may be restricted from competing at Region or State events.

Also all parent/guardians will need to have completed at least 2 full days of duty before the Christmas break or your child may be ineligible to compete after the Christmas break.

As in other years all parent/guardians of competing children (if your child is entered) are expected to help out at the following events: Casey Centre Championships, Regional Relay, Regional Championships, State Championships.

To check you duty status please go to the Casey Little Athletics website

<http://www.caseylittleaths.org.au/>

And click on duty register in the parent duty section.

Should you have any questions or need any assistance regarding duty, please feel free to talk to Cameron Skeggs at the Duty sign on desk on any day of competition.
